

SECRET

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 1 February 1963

1. [] Further to my Journal item of 31 December, Mr. Ramsey of GAO said he saw no problem in using the Agency's special authority contained in P. L. 110 for acquisition of the land.

2. [] Picked up from Senator Bourke Hickenlooper the letter which he spoke with the Director about. This is a letter from a Cuban to a friend of the Senator's regarding missile sites in Cuba.

3. [] - JGO) Advised by [] Logistics, that Mr. John W. Flately, an Assistant Commissioner of General Services Administration is in receipt of a congressional inquiry concerning the use of a Federal Government bus in the Santa Rosa area belonging to [] Mr. Flately will be forwarding the correspondence for Agency handling.

4. [] Sam Scott, Senate Internal Security Subcommittee staff, called and requested, for Committee use, such information as might be available for transmittal to the Committee concerning the activities of Carlton Beales of the Cuban Fair Play Committee in Latin American countries.
